5) Under the rules, the vacancies have to be filled up after advertisement by appointing M S qualified candidates On account of low pay, response is reported to be meagre Of the peons recommended for promotion the first twenty in the list have either failed in or stuck up upto K L S examination Some of the menials seem to have been appointed after they had passed the age limit as applied to superior subordinate service Their appointment as Octroi Lutsaddies involves the promotion of unqualified persons from inferior to superior service But in the circumstances explained by the Municipal Commissioner, the vacancies that exist at present may, however, be permitted to be filled up by appointing persons from among the peons in the list according to seniority and merit Only persons belonging to Backward Communities being appointed in Special vacancies

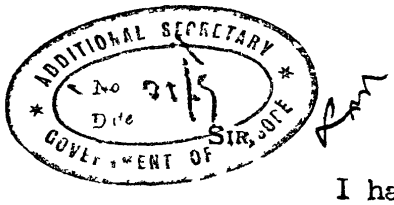
FROM

K SUBBA RAO Esq, B A,
MUNICIPAL COMMISSIONER
BANGALORE CITY

To

J.B Mallaradhya, Esq , M A.,
Additional Secretary to the Government of
Mysore, Bangalore



I have the honour, to state that there are several posts of Octroi Mutsaddies on Rs 15-1-20 in this Municipality and a good number of officials in this cadre have resigned the appointment on account of small scale of pay and costly living in the City and have left service to better their prospects elsewhere. These vacancies were advertised in the Gazette and no applications were received The Public Service Commissioner has intimated that duly qualified and locally available candidates may be appointed The qualification required for these posts is a pass in the M.S Examination It is impossible to secure any qualified candidates for the posts which carry a small grade pay of Rs 15-1-20 The work in the Octroi Office is very much hampered for want of full complement and the Municipal Revenue is being affected.

2 The Octroi Superintendent has reported that some literate peons of his office who have gained sufficient experience of work at the COkads might be appointed in the existing vacancies A list of such of the peons received from the Octroi Superintendent is herein enclosed It is proposed to appoint persons in the existing vacancies of Octroi Mutsaddies and in the vacancies that might occur according to their seniority and community the vacancies being duly classified.

3 I request that in the interest of efficient

discharge of work in the Octroi Office early orders of Government may kindly be obtained in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

hsr/-

for Municipal Commissioner.
